

WBA Regions Introduction

As stated wildlife hazard risk goes beyond regulators. We need international and inter-regional collaboration of all stakeholders, in order to facilitate this

WBA has called for nominations for 2 regions

- South Asia
- Middle – East

We are excited to announce the following board members to represent these regions

Mr Haridasan – Assistant Manager wildlife hazard control team Bangalore International Airport – India

Dr Sameera Arshad – she’s an eminent expert in wildlife hazard management - Pakistan

Retd Wing Commander Mohit Kumar Garg (Military Region) – Experienced air surveillance operator and Air Traffic Management - India

Sadegh Sadeghi Zadegan – Experience with Environment and Ornithological units within Aviation – Tehran, Iran

Mohamed Agwa – highly experienced Air Traffic Controller, Cairo Egypt

Daniel Parsons – Aerodrome Inspector CAA Qatar
